## **Board of Light Commission, Regular Session Meeting Minutes, September 29, 2021, 9:00am.**

Commissioner Handy called the meeting to order at 9:05am

**Present:** Commissioner's Tony Meola and Win Handy were present. GM Jonathan Fitch and Assistant GM Brian Allen were present.

**Agenda:** The Board approved the posted agenda without changes or corrections.

**29 Prospect Street:** The Board reviewed and discussed the 5-bay garage design options and project cost estimates. The Board preferred the smaller 5-bay garage project that placed the utility rooms in the two-story training/storage area. This will reduce the project cost and decrease the size of the new building compared to the existing building. GM Fitch and Assistant Allen will provide architect and designers that direction for design.

Meeting Adjourned at 10:10am.
